

CONFORMITY ASSESSMENT PRICING INSTRUCTION

Conformity Assessment Pricing Instruction is used when making an audit offer to the organizations applying to UDEM A.Ş. for conformity assessment service. The basis here is the determination of the audit period and the related man/day fee.

The man/day time determined according to UDLST.06 CE Man Day Calculation List (1 man/day refers to 8 hours, which is considered average as normal working hours) and constitutes the total inspection time. This time will be evaluated in 4 steps. These are:

- Preparation before Conformity Assessment
- Conformity Assessment Site Audit
- Reporting
- Certification

Conformity Assessment fees and annual certificate usage fees (if any) are indicated in the table below on the basis of Regulation/ Standard. Fees may be increased or decreased by up to 25% in the following cases.

- Within the scope of the against inflation, a discount may be made at the rate of CPI.
- Observers and candidate auditors are not included in the number of man/days.
- If the product standard is not in Turkish, an additional fee is added for the translation of this standard. (This additional fee cannot exceed 2 man/day.)
- Travel and accommodation fees of auditors and technical experts are covered by UDEM A.Ş.
- The ease or difficulty of access to the customer organization location may cause the time spent on the road to be increased/decreased.
- If a standard is to be purchased for the product to be Conformity Assessment, this fee is added directly.
- If the test/experiment fee is to be received from the subcontractor organization, this fee is added directly.
- If the product to be Conformity Assessment is in a different location, the audit team travel and accommodation fee is added.
